

AT THE TIME OF MY DEATH

A Funeral Guide

PALMETTO PRESBYTERIAN CHURCH

It is the hope of the Session that this information might assist members and friends in looking at the crucial issue of death and the disposition of our bodies in the context of our Christian faith. This issue can be uncomfortable for us and those we love; therefore, we often delay discussing it. Consequently, when death does occur, members of our families are left with the task of making decisions for us in a time of sorrow and grief when thinking clearly is most difficult of all. Pre-planning can be immensely beneficial to those we love.

Included is a sheet entitled *At the Time of My Death*. You are encouraged to complete the form, place one copy with your important papers, and allow us to make one copy to be kept in a confidential file in the church office. If you have any questions or concerns about anything contained, please feel free to contact the pastor. He/she is available to assist you in thinking through these issues. When death occurs in your family, please notify the pastor and/or the church office immediately so that your church family may respond with love and support.

Burial or Cremation

More and more people are considering the possibility of cremation as opposed to traditional earth burial. The choice is simply one of personal preference. Either is acceptable in our Christian faith. If cremation is chosen, the ashes may be interred or scattered. In South Carolina there is a 24 hour waiting period before a cremation may be conducted. Palmetto has a columbarium on our church property.

The Funeral Service

The funeral service is a service of worship under the direction of the minister. The purpose of the service is to give thanks to God for the gift of the life of the one who has died and witness to our faith in God's continuing gift of life to us in Jesus Christ. Although the reality of death is acknowledged in the service, even more importantly the reality of our hope in Jesus Christ is affirmed.

The Christian funeral service should ordinarily be held in the sanctuary of the church where the people of God gather for worship each Lord's Day. Our sanctuary is available for members and there is no charge. Honorarium for the pastor is at the discretion of the family. The honorarium for the Music Director is \$150.

The service may be conducted either before or after the committal of the body or the disposition of the ashes. If the casket is to be present during the service, it will remain closed at all times while in the sanctuary. There is funeral pall available which may be used in lieu of a floral casket spray. The casket may be placed in the sanctuary prior to the beginning of the service or be brought into the sanctuary in procession at the beginning of the service. Our *Directory for Worship* provides that "the service shall be complete in itself, and any fraternal, civic, or military rites should be conducted separately." (Book of Order W-4.10005).

The funeral service may also be held at a funeral home, crematorium or at graveside.

The service begins with scriptural sentences that draw our attention to God's love and mercy to us in Jesus Christ and God's victory over the powers of sin and death through the resurrection of Christ from death to life. The service will ordinarily include readings from the Old and New Testaments, a brief sermon testifying to the hope and promises set forth in Scripture, prayers of thanksgiving and intercession, and the singing of hymns which bear witness to the love of God in Jesus Christ and the gift of life everlasting. "The service ends by commending the one who has died to the care of the eternal God and sending the people forth with a benediction."

(Book of Order W-4.10005).
